

**Product information sheet**

<b>Product Brand:</b>	Ultrabox
<b>Product Name:</b>	Ultra box Welding Machine
<b>Model No.:</b>	UT-MMA-350
<b>Product Pictures:</b>	<p><b>Product Features / Specifications :</b></p> <p>Ultra box Welding Machine is made with the latest IGBT third generation technology. It has high voltage transistor with electronic efficiency converter which is designed for home or semi-professional use.</p> <p>It has Hot Start, Arc Force and Anti Stick functions. The Hot Start function allows us to increase the current at start-up for faster use of the machine. Arc Force is an automated function for stabilizing performance, regardless of the time of use of the machine. The Anti Stick function prevents the welding of electrodes to the welding materials.</p> <p>Characteristics:            Current: 120A with MAX 300A            Voltage: AC 220V            Rated input power: 5KVA            Frequency: 50 / 60Hz            No-load voltage: 60V            Output current range: 20-300A            Rated operating cycle: 60%            Performance: 85%            Power factor 0.93            Insulation class: F            Protection index: IP21            Electrode diameter: 1.6-3.2mm            L 34 x W 15 x H 24,5 cm            Gross Weight: 5 Kg / Net Weight: 3.5kg            Device cable length: 1.30m            Ground cable length: 1.10m            Tong leght:1,67m</p> <p>Package contains:            Welding device            MMA welding cable with electrode socket            Ground cable            Face protection mask            Wire brush</p>

<b>Product description/selling points:</b>	Ultra box Welding Machine, New generation technology, 3 different functions, Face protection mask
Country of Origin:	China
EXW:	Thessaloniki, Greece
Delivery:	
MOQ:	
International Standard / Approvals:	Available upon request
<b>Master Carton</b>	
Number of pcs in Master Carton:	1
Measurement of Master Carton:	L41 x w 22 x h 29.5 cm
Weight of Master Carton (gross/net):	5000 g (gross)
<b>Individual Product Packaging</b>	
Measurements	L41 x w 22 x h 29.5 cm
Weight (gross/net)	5000 g (gross)
Type of Packaging	Retail
Languages on art work:	ENG
Product EAN	5207878123274
Europallet pcs	<b>60</b>
<b>Container</b>	
Pieces / 20"	1100
Pieces / 40"	
Pieces / 40" HC
